Priority Due Week (PDW) is the date by which current and previous students sign up and must pay tuition in order to maintain/gain placement in their appropriate level. After the priority due week, our computer system electronically deletes unpaid students from the roster and new students are placed in the vacancies. The PDW ranges from two to four weeks prior to the start of the session. (Certain sessions may require more administrative time to balance classes. During this time you will receive the discount rate. The regular rate applies to payments made after the priority due date. See **Session Calendar Dates** for PDW dates.
